

## **plentyRooms.com announces irresistible tour packages to Asia and Europe**

- *From two-day city breaks in Europe to week-long luxury limousine tour packages in major European cities to family getaway packages in exotic and popular Asian tourist destinations, plentyRooms.com tour packages offer a great means to put economic woes on a backburner and enjoy great holidays.*

**Singapore, April 16, 2009:** plentyRooms.com, the fast growing discount hotel booking and travel planning service ([www.plentyrooms.com](http://www.plentyrooms.com)), has announced a series of attractive travel and tour packages to some of the popular travel destinations in Asia and Europe.

The all-inclusive tour packages cover everything from airport transfers, air-fares, accommodation in select hotels from the over 70,000 hotels in the plentyRooms.com network, local sightseeing and lots more.

The tour packages are designed to meet the needs of different types of travelers. For example, On offer are 2-night city breaks in Europe to cities such as Zurich, Budapest, Venice, London, Amsterdam and Madrid to name a few. On the other hand, for travelers who are looking forward to a longer and grander holiday, there are the European limousine tours that start at a minimum of 5 nights. The European Limousine tour packages offer travelers the option to indulge in just one country such as with the 6 days- 5- nights Explore Spain or 8 days- 7 nights Explore France package, or the chance to explore several countries in Europe such as with the 11 days, 10 nights, Gems of Europe package that will include tours to Italy, France and Britain. Travelers interested in enjoying a holiday in Asia have a series of exciting "Free and Easy" packages awaiting them. Destinations offered under these packages include Bali, Singapore, Hong Kong, Macau and Kuching, to name a few. The complete list of travel packages on offer at this time can be found here: <http://www.plentyrooms.com/packages.htm>

"Our years of experience as a reputed travel operator enables us to offer these thoughtfully-packaged tour packages to cater to a diverse range of travelers," says Samson Tan, CEO of plentyRooms.com. "These travel packages are absolute value for money, which would appeal even to travelers apprehensive of indulging in overseas holidays in the current situation. In fact, I would say that with such attractive travel deals on the table, is there any better time to pack your bags and set out on a quick vacation?"

### **About plentyRooms.com**

plentyRooms.com Pte Ltd ([www.plentyrooms.com](http://www.plentyrooms.com)) is a Singapore-headquartered online hotel booking service provider featuring over 70000 hotels in 2000 cities worldwide.
